## PRODUCTS

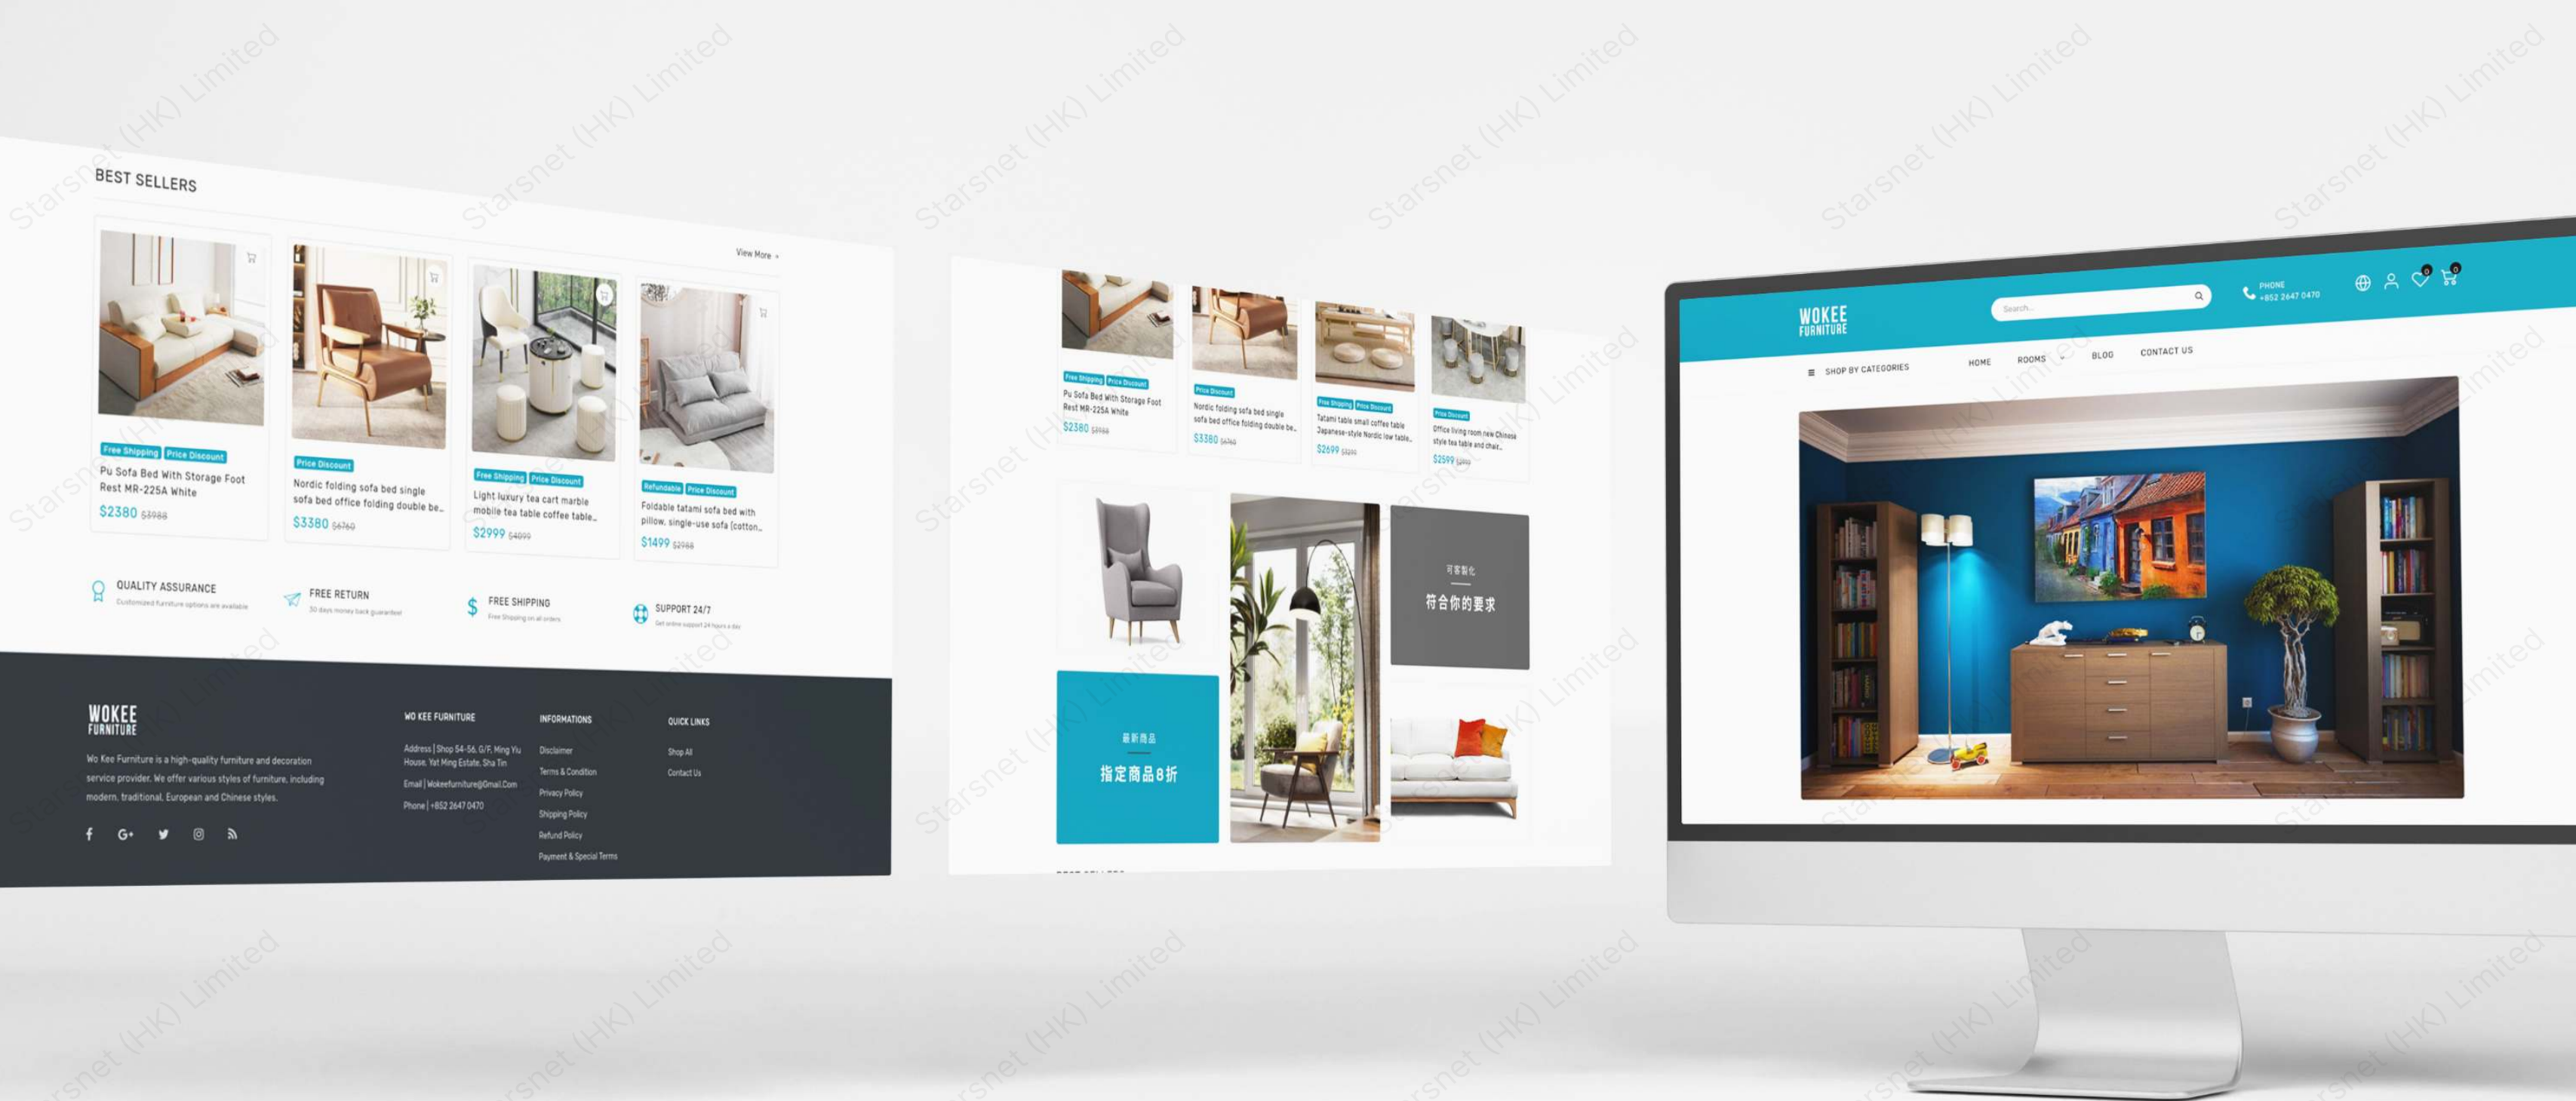

Three product cards are displayed in a row. Each card features a model wearing the item, a 'PRICE DISCOUNT' or 'FREE SHIPPING' badge, and a price tag. The first card shows a black T-shirt with a graphic print. The second card shows a black men's cotton shirt with a graphic print. The third card shows a black men's printed sweatshirt with a graphic print.

The monitor displays the Zero Mars Studio website homepage. The header includes navigation links: SHOP BY CATEGORIES, COATS & JACKETS, TOPS, ABOUT, and utility icons for search, user profile, heart, and cart. The main heading reads 'REMAKE AND REWORK THE INSPIRATION OF UR MARS'. Below this is a central image of a man in a denim jacket and blue jeans. To the right of the image is a quote: 'Too many boring clothes; Too few interesting souls; Hope everyone can wear interesting clothes. Find interesting people!'. Below the quote is a small image of a red heart with 'ZERO MARS UNIVERSE' written on it. A button labeled 'EXPLORE YOUR STYLE' is positioned below the main heading. At the bottom of the page, there is a social media navigation bar with links for Facebook, Twitter, Whatsapp, Instagram, and Email. The footer text reads 'Ready to start a new chapter of your style?'.

A promotional banner for Zero Mars Studio. The background is dark with a large, glowing orange planet on the right side. The text reads: 'ZERO MARS STUDIO INSPIRATION UR MARS NOT JUST A CLOTHING SHOP CREATE YOUR OWN STYLE'. Below the main text is a smaller version of the quote: 'Too many boring clothes; Too few interesting souls; Hope everyone can wear interesting clothes. Find interesting people!'.

### ALL-IN-ONE SERVICES

We offer comprehensive services that cover everything from layout to decoration and furniture design. Our approach to interior design is centered around the needs of our clients, ensuring their satisfaction with every aspect of the process.

- DESIGN**  
We follow a customer-focused approach, which begins with conversations with our clients to comprehend their preferences. Our team manages space arrangement, furniture selection, and material coordination to guarantee customer satisfaction.
- RENOVATION**  
Once the layout is finalized, the subsequent step involves processing the drawings, which encompasses floor plans, 3D drawings, lighting, and furniture construction. The ensuing on-site work entails tasks like dismantling, plumbing, electrical installation, masonry, painting, carpentry, and other related duties.
